Fall Show and Sale 2016 September 17-18

It's time to prepare your prized orchid plants for our fall show scheduled for September 17-18. The planning has started, vendors are invited, and the show committee is busy working behind the scenes to make this a fun and educational show for everyone. This year we will feature a "society sales booth" whereby members are asked to donate healthy extra divisions or duplicate plants to sell. All sales proceeds will benefit the society to offset the cost of our yearly operating expenses and rentals. Please look over your collection and consider what you might be able to donate to the society for our sale. Make sure the plants are virus and pest free and are labeled legibly with the correct name of the plant or the cross.

All plants must be delivered to the main hall at the South Coast Botanic Garden during our show setup by 8pm on Friday September 16th. Please Do not bring any plants on the weekend of the show. If you have lots of plants to donate and need someone to pick them up please contact a member of our show team for assistance. The society will price the plants and sell them to our show guests during the show. Any plants that are not sold will be offered at future monthly meeting plant table(s).

Thank you for supporting your orchid society

Arthur Hazboun (310) 995-1592 & Karen Low (310) 541-4412

Plumeria Lovers: This Deal is for You !!

David Konishi, who spoke to members at the Botanic Garden last year on plumeria culture, has opened his own business in Cypress. Konishi Plumeria is located at 5911 Cerritos Ave., Cypress, CA 90630. Phone (714) 826-2373. Art Hazboun has worked a deal with David that will allow the members of SBOS to show their membership card and receive a 20% discount on most items towards your purchase.

This is a picture of a seedling starting tray that Art purchased for \$12. It is a great space saver. It could also be used for orchids. This brought on a discussion about whether you might want to drill some more holes in the sides of the pots for air circulation.

HATFIELD ORCHID SALES

George Hatfield owner of **Hatfield Orchids** will again be selling his award quality Cymbidiums at Yamada Company (706 W. Gardena Blvd. in Gardena) from September 2015 to June 2016. Sales will be on Saturdays from 10:00AM to 1:00PM.

A hands on potting demonstration will be held at 11:00AM If you have cultural problems with your cymbidiums bring them to the sale so we can evaluate and give you advice.

Suspect virus, bring a cutting of the leaf in a plastic bag and we will test for virus (\$5.00 per test).
