Our January 20, 2017 Guest Speaker will be George Hatfield "Cymbidium Repotting Workshop"

George Hatfield, the owner of Hatfield Orchids, has over twenty five years of experience in raising award quality cymbidiums. He describes his location in Ventura County as the ideal location for growing cymbidiums. George is the current president of AOS.

George is a member of both the Cymbidium Society of America (CSA) and the American Orchid Society (AOS), as well as several Southern California regional orchid organizations. He has published articles in the American Orchid Society Awards Quarterly and the Cymbidium Society of America Journal. George is also an orchid judge for both the CSA and AOS. George is an enthusiastic lecturer and he will share his experienced knowledge on cymbidium culture.

As a special event, George will also bring some cymbidiums for a hands-on workshop on repotting. Cymbidiums ready for dividing will be available for purchase or you may bring your own. Limited potting supplies will be available for purchase. He will have plants available for purchase as well.

We hope that you will participate in this special event.

Santa Barbara International Orchid Show Bus Trip Cancelled

For various reasons the board decided to cancel our annual Santa Barbara orchid show bus trip in 2017. We regret the inconvenience this might have caused to our members and other orchid lovers. Hopefully this popular event will resume in future years. For more information for the show or to get tickets on your own please visit:

Welcome to SBOS

We offer a warm welcome to our newest member Vicki Schiappa, who joined at our last meeting. Please be sure to meet her and make her feel welcomed to SBOS.

To our new members: When you come to the next meeting, stop by the membership desk to pick up your name badge and a new member package. We will include ten free plant table raffle tickets as our 'thank you' for joining SBOS.

WHAT ARE WEBINARS? Webinars are an Internet conference where you can hear the speaker and view his presentation, ask questions, and hear interactions from other members of the audience. You can join either on your computer or by phone. You can join from anywhere, via your Mac, PC or even your mobile device. Audio is included, so attendees can phone in or use VoIP (Voice over Internet Protocol). You will need a microphone for your computer to use VoIP.
