**Our December 15, 2017
meeting will be a
Holiday Potluck Party**

Please join us for the Holiday Potluck Party

Friday, December 15, 2017 at 7:00 PM

at the South Coast Botanic Garden

Please RSVP: clazarmorrison@yahoo.com or call Charlotte Morrison at 310-316-8193.

Non-alcoholic beverages will be provided, but you may bring wine if you choose. Guests are welcome, but we need to know how many people are in your party so we will set up enough tables and chairs. We will also be ordering orchid plants from Zuma Canyon Orchids, which will be passed out at the party. We need to know how many plants to order (one plant per membership), so please RSVP to Charlotte Morrison by December 8. Let her know how many are in your party and if you will be bringing an appetizer, salad / vegetable, main dish, or dessert.

Come prepared for good food, fun times, and friends. We hope to see you there!

Be sure to sign the interest sheet for the February meeting. Would you rather work on repotting plants or learning to mount them? You can do both, just let us know so we can plan and purchase materials. If you are unable to sign up at the potluck, please contact a board member.

December President's Message

Happy Holidays! The board and I would like to express our appreciation to all of the members for another exceptional year. We had two great major events this year—our first auction and our traditional fall show. These events and our regular meetings could not be successful without all of our volunteers. We thank you for your help in continuing to make our society thrive.

As this year draws to a close, we already are looking ahead to the New Year. We are going to have another auction on April 20, 2018, so if you are planning to divide your plants in the next couple of months, please keep the society in mind. The society would appreciate any donations to make the auction more successful. Please make sure that your plants are healthy and pest free.

The December holiday potluck party is quickly approaching. We are looking forward to all the special foods everyone will contribute to the potluck and for the fun social occasion. Please plan to attend and sign up to bring your favorite dish. This party is a great opportunity for the members to get to know other members and their family, to share what works for them with their orchids, and to share what has happened during this year. We hope to see you there.

I would like to wish everyone a great holiday season and a happy and healthy 2018. See you at the potluck!
