## September President's Message

by Arthur Hazboun

It's show time on September 14th & 15th at the South Coast Botanic Garden! Let's make it a true success by volunteering to help out with any activity you're comfortable with. Show your support, stay involved, and have fun at the same time. The show committee cannot do it without your help. We still have some volunteer positions and various time slots available. The more people we have the less work each of us has to do and it will make for a more enjoyable experience. As our way of thanking you, we will give each volunteer a raffle ticket for each shift worked for a special plant drawing at our October monthly meeting. If you can help with getting our supplies and transporting them from storage or helping with the setup with tables in the hall and courtyard on Friday morning September 13<sup>th</sup>, please contact me or Larry Bergen. Please meet in the hall at the garden at 10am for setup. This year we will feature our "Society Members Sales Booth" with plants generously donated from various members. As a thank you for your support we will provide each member a raffle ticket for each plant you donate to the sales booth. A separate raffle drawing will be held at our October meeting for the volunteers who donated plants. All proceeds from the sale will go to the society to help pay our bills, show expenses, storage rent, advertising, insurance, and monthly rental fees.

If you're planning on donating any extra plants you have, please bring them to the garden by 8pm on Friday, September 13th. Do not bring any plants on the weekend of the show. We ask that you clean and inspect your donations ahead of time and please make sure they are pest and disease free. If you can volunteer on Saturday contact Marcy or Larry Bergen, and Charlie Brown on Sunday (all our phone numbers and emails are listed in this newsletter). Plant registration for the plants entered into competition will take place in the hall on Friday, September 15th from 4-8pm. PLEASE doesn't bring them at the last minute. Clean and inspect your plants that you wish to exhibit and enter for ribbon judging for pests, dead leaves, shriveled pseudobulbs, etc.. We will have people on hand to assist you with your plant tags and entries. Tell your relatives, friends, co-workers, and neighbors and advertise the show. Please support our vendors, which we depend on yearly to participate in our show.

If you are volunteering to assist please make sure you wear your society badge proudly at all times during the event and to show up on time for your scheduled shift. Remember you're representing the South Bay Orchid Society as a host or hostess. All members are asked to bring some food to feed the hungry volunteers during setup as well as the workers and vendors during the weekend of the show. Let Marcy Bergen or Helen Miyake know what you're planning to bring so we will have a varied selection of goodies to feast on. Also consider bringing newspapers and empty clean usable cardboard boxes for our plant hotel and sales booth for attendees and guests to take their purchased beauties home. We also ask everyone to help with the tear down and clean up at the end of the show. Please direct any questions regarding the show to Arthur Hazboun - our show chair. Thank you and hope to see everyone at the show.
