AUGUST 2021

The South Bay Orchid Society Fall Show & Sale is back at a NEW location:

We are delighted to bring back the popular Fall Show and Sale at our new venue location which will take place inside the air conditioned indoor "Atrium" at the PVAC. We need lots of volunteers to help with the show (especially at this new location), our show committee representatives will be in touch for recruiting and signing up volunteers.

Set up is scheduled for Friday, September 17th at 10am. If you can assist with bringing supplies and show items from storage please contact Larry Bergen. The more people we have the faster the job will go and put less stress on everyone especially as we get to know the layout of our new venue. We will also need help on Friday morning for table setup and in the afternoon for plant registration and placement of displayed plants.

Plant registration starts in the afternoon on the 17th and must be completed by exactly 7pm sharp, the PVAC closes its doors at 7pm. Don't be late!!! Please start by getting your blooming plants ready for exhibiting - clean them up, remove dead leaves, sheaths, insects, pests, dirt, etc.... all plants must be clean, disease and pest free otherwise they will be rejected. Label your plants legibly so the tags can be read.

The plant classifications are on our website at:
http://www.southbayorchidsociety.com/Show/Fall_Show_Classifications.html

The registration slips are available on our website at:
http://www.southbayorchidsociety.com/Show/Show_Judging_Entry_Slip_01.pdf

To be eligible for judging, a plant must have been grown by the exhibitor for 120 days prior to the show. Other plants may be entered for "exhibit only" and will not be judged. Your plant must be in full bloom to be judged. Consider filling out the registration slips ahead of time as this will make things go much more smoothly.

We also need empty cardboard boxes and/or bags and newspapers for the plant hotel.

Since this is short notice for everyone we will not have any classes or demos at the event; and we will not have the use of a kitchen due to PVAC health and county regulations. So DO NOT bring any food as is our custom every year. There will not be a member/society sales booth at this show.

Let's make up for missing last year's show and make a real impression at our new permanent location. We look forward to your continued participation with this and all future SBOS shows.
