Lc. Stonehouse ‘Leonard’  
Grown by David West  
1<sup>st</sup> place and culture award

**Our July 15, 2022 meeting  
will be a question and  
answer session with our  
senior growers.  
“Show and Tell!”**

The July meeting will be a little different than our usual format. Instead of a guest speaker we will have a sit-down panel Question & Answer session with our senior growers and an entire member participation event. Let's call this meeting "Show and Tell".

If you are attending the meeting, please bring a plant that you have grown exceedingly well and are proud of it and/or a problem one that you're having various issues with.

Tell us about your favorite plant, how long you have had it, its growing conditions, and any suggestions you have for getting it to bloom.

For those problem plants our expert panel will try and evaluate the issue(s) and offer advice to help remedy the issue. We have some excellent growers in our group and they're always willing to teach and share their vast extensive knowledge with our members.

We can all learn from each other by attending this meeting and not only will it be educational but fun as well. We hope to see you at the July meeting.

We still will have the usual plant judging and a plant table will be provided for the raffle.

Remember our motto: "Orchids for Amateurs", but we really are "dedicated orchid lovers" just don't tell everyone.

*The people that bring in a plant and participate in the discussion will receive a special raffle ticket for the evening!*
