**September 17 & 18, 2022
It's Time for Our Fall Show
and Sale
Show Set Up Friday,
September 16th at 10 AM**

Calling All Members

This is the time for our club to
shine!

Please bring in your beautiful, blooming,
disease and bug free, plants to make our
show great.

We need the following things:

Volunteers to work on Saturday, Sept.
17th and Sunday Sept. 18th. Volunteers
that sign up in advance to work a shift,
will receive a complementary plant.
Sign up to work a shift at
<https://volunteersignup.org/TWJ77>

Boxes and newspapers for the plant
hotel.

This month we are having our annual Fall Show and Sale on September 17th & 18th. We are almost ready BUT we still need volunteers to make the event a success. I cannot emphasize how extremely important it is for every member (who is able) to volunteer.

To volunteer online please go to <https://volunteersignup.org/TWJ77>

Volunteers must sign up ahead of time either with the online form or by contacting Charlie Brown for Saturday or Marcy Bergen for Sunday. Contact info is in this newsletter. Volunteers will receive their thank you gift at the conclusion of their shift. One gift will be given per volunteer.

Plant registration starts in the afternoon of Friday the 16th and must be completed before 6 pm. Don't be late!!! **The cutoff time is 6 pm.** Plant judging starts promptly at 6pm Friday evening. Only judges and clerks will be allowed in the Atrium after 6pm. Please clean up your plants, remove dead/old leaves, sheaths, insects, pests, dirt, etc.... all plants must be clean, disease and pest free or they will be rejected upon entry. Please print legibly so the tags can be read. Adding your name and phone number to the bottom of the pot helps in case the tag gets separated from the plant.

The Fall Show plant classifications are on our website at:

http://www.southbayorchidsociety.com/Show/Fall_Show_Classifications.html

The registration slips are available on our website at:

http://www.southbayorchidsociety.com/Show/Show_Judging_Entry_Slip_01.pdf

For complete show info go to - <http://www.southbayorchidsociety.com/Show/index.html>

Please Note: The Palos Verdes Art Center policy is still requiring proof of Covid vaccination. Facial masks are optional and highly encouraged.

Fall Show and Sale - September 17 and 18, 2022

Arthur Hazboun - Show Chair

This will be our second Fall Show at our new location the Palos Verdes Art Center. We want to thank every member who participated in last year's event and hope you will do so again this year. Planning is ongoing daily even though supply chain shortages, Covid19 mandates/variants and surges, and inflation are always a stumbling block in our efforts to bring you the show you expect and deserve. The show will go on!

The online volunteer sign up form is online at:

<https://volunteersignup.org/TWJ77>

Please consider giving a couple of hours of your free time to help. Signing up is very simple, easy, fast, very convenient, free, and fun!!! After you log on, look at the various positions and times that are still available, and pick the one that's the most convenient. Enter the required information and you're all set. This is much easier for us than trying to contact the members via phone or email. We will provide each member that signs up ahead of time to volunteer to help a thank you gift at the conclusion of the event.

Set up is scheduled for Friday, September 16th at 10am. Your help on Friday morning for table setup and in the afternoon for plant registration and plant judging will be very much appreciated. The more people that we have the faster we get done! Tear down on Sunday at the conclusion of the event will also require a lot of hands on participation.

Plant registration starts in the afternoon on Friday the 16th and must be completed before 6pm. Don't be late!!! Judging starts at 6pm Friday evening. Please get your blooming plants that you wish to bring in to exhibit ready. Clean them up, remove dead/old leaves, sheaths, insects, pests, dirt, etc.... all plants must be clean, disease and pest free otherwise they will be immediately rejected. Please write all information on the plant tag legibly so it can be read. Add your name and phone number to the bottom of the pot/hanger.

The Fall Show [plant classifications](#) are on our website at:

http://www.southbayorchidsociety.com/Show/Fall_Show_Classifications.html

The [registration slips](#) are available on our website

http://www.southbayorchidsociety.com/Show/Show_Judging_Entry_Slip_01.pdf

To be eligible for judging, a plant must have been grown by the exhibitor for 120 days prior to the show. Other plants may be entered for "exhibit only" and will not be judged. Your plant must be in full bloom to be judged. Consider filling out the registration slips ahead of time as this will make things go much more smoothly.

NOTE: FACE MASKS WILL BE RECOMMENDED (OR REQUIRED) AT ALL TIMES DEPENDING ON THE CURRENT LA COUNTY DEPT. OF HEALTH REQUIREMENTS FOR FACE MASKS AT INDOOR GATHERING AT SHOW TIME.
