Our August 18, 2023 guest speaker will be David Toyoshima “Cattleya Alliance that can be Grown Outdoors in Southern California”

David Toyoshima has been an avid orchid grower since he was a child. When he was seven, his mom bought him a small, seedling-sized cattleya plant. In middle school, he saved up enough money to buy a small, 6' x 8' greenhouse. With weekend trips to Stewart Orchids in San Gabriel, and with the help and mentorship of legendary orchid man, Ernest Hetherington, David started to amass the beginnings of a cattleya collection. One of his first heirloom orchid was Cattleya Bow Bells “Patterson’s” given to him by Ernest.

In high school and college, David worked part-time at Stewart Orchids (San Gabriel) and on occasion, Stewart/ArmRoy Carpinteria. He was an AOS student judge and continues to be a member of the American Orchid Society after forty plus years.

He is a two term (total of 6 years) as a Trustee for the AOS. He is the former chair of the AOS PR Committee. David is also an heirloom cattleya consultant to the Huntington Botanical Gardens.

David is a veteran advertising creative director (35 years) and has worked in Los Angeles and Chicago on blue-chip clients like McDonald’s, Budweiser, and American Honda.

He is currently an adjunct professor at CSULB teaching advertising and graphic design. David continues to enjoy his cattleya collection—most, if not all, heirloom and historically significant plants.

August President's Message and Show Update by Aurthur Hazboun

This month I'm very busy doing three jobs for SBOS at once - Acting President, Show Chair, and Webmaster in addition to my other duties as the AOS and OD representative too. My thanks to Braulio Mena - our 1th VP and treasurer - for bringing us a diversified assortment of monthly guest speakers. We learned a lot last month from Scott McGregor on growing Mediterranean Orchids. The August scheduled speaker David Toyoshima will discuss Cattleyas we can grow outdoors in So Cal.

The preparations for our Fall Show/Sale on September 16 & 17 are getting handled expeditiously and we have some exciting new international vendors participating. Please read the vendor list below in this newsletter. We hope each member is willing to help with the show and I cannot emphasize how important your help is. We depend on our volunteers to make our show a great success. Our online volunteer signup website is available to you NOW to sign up. Sign up at <https://volunteersignup.org/9DBHX> This show will be our third Fall Show at the Palos Verdes Art Center and we are always developing and enhancing the show and sale as we continue at this great new venue.

Show setup is on Friday, September 15 starting at 10am and ending at 6pm, please bring in your plants you wish to exhibit after 12 noon (to allow us to setup the tables for the show). Volunteers are appreciated throughout the day and during the show and will not be turned away. The plant judging will take place at 7pm on Friday evening. Show hours are September 16th-17th, from 10am-4pm.
